RE: Inquiry Initiated by Commissioner Ervin to Investigate the Reported Sale of
Customers' Personal Information to Third-Parties by Dominion Energy South
Carolina, Incorporated
Docket No. 2019-363-E

Dear Ms. Boyd:

Please find attached for filing the South Carolina Office of Regulatory Staff's ("ORS") report with four attachments on its investigation in the above-referenced matter. ORS requests the report be filed under seal, not publicly accessible, for fourteen (14) days to allow Dominion Energy South Carolina, Inc. ("DESC") and HomeServe USA Repairment Management Corporation ("HomeServe") an opportunity to file any requests that specific portion(s) of the report be treated as confidential should they assert such treatment is appropriate. If no such request is received within fourteen (14) days, ORS will file the report without confidential designations on it and ask that it be made publicly accessible. If a request for confidential treatment is received, ORS will, within (21) days of the filing of the report, either file a redacted copy of the report to be made publicly accessible or objections to the confidentiality designations asserted.

The attachments to the report are not themselves confidential, but ORS asks that they, along with the report, not be publicly accessible until any confidentiality designations are resolved.

Should HomeServe not wish to enter an appearance before the Commission at this time, it may submit any confidentiality designations it asserts to ORS, and ORS will notify the Commission if a dispute over those designations exists.
